

Abstract Submission Guidelines

Deadline: October 14, 2022

The **39th Annual *Advances in Therapeutics and Technology: Critical Care of Neonates, Children, and Adults*** is an international critical care meeting that attracts many attendees with an expertise in critical care annually. Preparing for this annual event takes considerable effort that begins more than 1 full year before the meeting. The conference will take place on January 11-13, 2023, at the Double Tree by Hilton Hotel Ontario Airport, Ontario, CA.

The planning committee invites you to submit Abstracts from original studies for presentation or poster session at the 39th Annual Conference.

Individuals, groups, or institutions may submit abstracts with interest in the practice of cardiorespiratory care. This is your opportunity to present educational content to your peers. If you have a unique case report, possess unique knowledge on a critical care topic, or have done extensive bench research in a related field, then this is your opportunity to showcase your work. Abstracts are encouraged from new and experienced presenters alike. Abstracts submitted to other conferences will also be accepted.

Please follow the submission guidelines:

- Use Microsoft Word format (“doc” or “docx”) in 12-point font using either Times Roman or Arial font.
- Limit Abstracts to a single 8 ½ x 11-inch page format.
- Tables, diagrams, and other graphics are encouraged but must be contained within the single page format.
- If the research involves human or animal subjects, the appropriate approval from the institutional research board must be documented.
- Presenters will be required to identify any conflicts of interest.

The informal setting of discussions at this conference is your opportunity to gain national and international recognition for your research in cardiorespiratory care by submitting an original abstract for presentation.

The deadline to submit Abstracts is October 21, 2022.

Abstracts may be sent as an attachment by email to dnull159@gmail.com
