

*PAC/LAC invites you to participate in:*

**2023 Annual Clinical Conference**  
**Quality of Life for Families XXVI: Caring and Keeping Our Patients and Caregivers Safe**  
May 25, 2023 8:00 am – 4:00 pm  
Hilton Los Angeles North/Glendale  
100 W Glenoaks Blvd  
Glendale, CA 91202

### **Conference Description**

This one-day conference will present high quality education and networking opportunities to healthcare professionals who provide critical services to pregnant women, expectant parents, children and families in our communities. It allows for the important dissemination of new and emerging clinical practice standards, as well as an opportunity to discuss health-related issues affecting expectant families. This conference will address many of the most pressing perinatal issues in the healthcare community focusing on current neonatal and obstetrical topics.

### **Conference Participants**

As an exhibitor at this year's event, your organization will have a unique opportunity to present information about its products and services to a diverse group of healthcare professionals. In recent years, our conference participants included healthcare professionals from a variety of fields including nursing, obstetrics, pediatrics, neonatology, perinatal nurse specialties, health education, and other allied healthcare professions. These individuals are leaders and decision-makers from both public and private sector institutions in Los Angeles, Ventura, Santa Barbara, San Bernardino, Riverside, Inyo and Mono counties.

### **Exhibit Information**

Actual assignment of exhibitor and vendor space will be done on a first come, first served basis. Special attention will be given to those companies wishing to be *Co-Sponsors*. As a Co-Sponsor, your organization will be identified on all conference materials. Your display table will also be reserved in advance and will be given a priority location. This conference is being held at the Hilton Los Angeles North/Glendale hotel and on site product sales will be permitted.

The standard exhibit space includes a 6ft by 2.6ft skirted table. Exhibitors who prefer to include modular displays may use the six-foot space instead of a table. Tape may not be used on any surface including tables and walls. Additional space is available for exhibitors who would like to present more extensive displays; exhibitors who would like to utilize more than the standard display table will be billed for the additional space. Some tables will have access to electrical outlets, however, extension cords will not be

provided. Please clearly delineate any space and technical requirements, such as electricity, on the attached registration form.
