*It is with great pleasure that we invite your company to consider sponsorship opportunities at the 40th Advances in Neonatal and Pediatric Cardiorespiratory Care, January 31-February 2, 2024 at Glendale, CA*

## Who Attends the High-Frequency Ventilation Conference?

As a conference exhibitor at this year's event, your organization will have a unique opportunity to present information about its products and services to a diverse group of **healthcare professionals**. In recent years, our conference participants included healthcare professionals from critical care medicine, neonatology, pediatrics, and adult intensive care providers (physicians, nurses, fellows and respiratory therapists). These individuals are leaders and decision-makers from both public and private sector institutions throughout the **United States, Canada and Europe**.

## Exhibitor Benefits

- The opportunity to promote your brand and to maintain a high profile among key influencers and decision-makers before, during and after the event.
- Align your company with this powerful educational experience that demonstrates your commitment to professional development and leadership in perinatal health.
- Direct contact with an audience that has influence in a broader community of perinatal health stakeholders.
- The ability to maintain key relationships with maternal and neonatal health care leaders.
