

Name / Degree(s): Emily Revelle, BS in Child Development and Family Studies, Southeast Missouri State

Title & Organization:

Lead Family Partner, St. Louis Children's Hospital

Special Interests:

Making sure the voice of the family is at the center of anything we do at the hospital.

Producing family friendly teaching tools for a wide variety of topics

Facilitating our family lunch program that feeds families within the hospital by only partnering with locally owned restaurants in St. Louis.

I am a mom of 24 week twin boys who had very different experiences in the NICU. That season of life is what drove me to come back and support families who are currently living it. Being a medical mom is not something I could have planned for, but my hope is to use what I've learned to help our SLCH families.
