

Dr. Church was first a graduate of the NICU at the University of Vermont and then a few years later, became a graduate of the University Of Vermont College Of Medicine. Her pediatrics training was completed at the University of Chicago, focusing on inner city medicine and complex care. She then completed a combined fellowship in Neonatal-Perinatal Medicine and Developmental Behavioral Paediatrics at Tufts University School of Medicine in Boston. She is board certified through the American Board of Pediatrics in both Neonatal-Perinatal Medicine and Developmental Behavioral Pediatrics.

Dr. Church is on staff at Beth Israel Deaconess Medical Center and Boston Children's Hospital, where she works as a neonatologist and developmental behavioral pediatrician in the Neonatal Intensive Care Unit and in the Growth and Development Support Program (GraDS clinic). Her academic interests include developmental care, long-term outcomes of babies who were cared for in the NICU, systems of care, spina bifida, and disability.
